

Pre No. CC241571-01-R1

SPECIAL SEISMIC CERTIFICATION CERTIFICATE OF COMPLIANCE

Equipment Manufacturer

Manufacturer: Vibrasystems Inc.
Model Line: SRM-1, MWT-2, SMR-4
Product Type: Supports and Attachments
Address: 293 Rayette Road Unit 5/6
Concord, Ontario, Canada L4K 2G1
Phone: (905) 738-7810
Website: vibrasystems.com

Certification Agency

Issue Date: 15-Sep-2025 (revised 7-May-2026)
Expiration Date: 7-May-2032
Agency Name: Pre Compliance
Address: 324 NW Hill Street
Bend, OR 97703
Phone: (541) 241-2310
Website: go-pre.com

Seismic Certification Parameters

Method of Certification: Cyclic Load Testing
Assessment Standard: ASHRAE 171-2017
Building Codes: IBC 2024
Design Method: LRFD (Nominal Capacities)

Certification Terms

1. For specific models covered under this certification, see Table of Certified Components accompanying this certificate.
2. This certification is dependent on proper mounting and anchorage in the listed mounting configuration(s). This certification does not specify anchorage design due to the variability of supporting structure and substrate conditions that may be present at the installation location.
3. Certified products are approved for the Building Codes listed and previous editions of those codes. Extension of this certificate to other Building Codes requires assessment of parameters by Pre Compliance. The capacities listed are valid for all soil types and seismic design categories.
4. In accordance with the assessment standard listed, the capacities presented are valid for both seismic and wind design, as well as other lateral loads. Installation shall be in accordance with manufacturers' printed instructions.

Approval

I attest that I have impartially reviewed the documentation supporting this special seismic certification and have confirmed it is in general conformance with the referenced codes and standards.
